Harmony Day
A huge thank you to all students, parents and staff on a tremendously colourful and harmonious day last Friday as we celebrated cultural diversity, understanding and acceptance. Our two parades were a great success and I publicly thank Mrs Courtney, Miss Garemyn, Mrs Ambler and Mrs Judge for emceeing - it takes a long time to get through our 800 students, but the energy was never lost!

Emergency Drills
Congratulations to our very sensible students who ‘survived’ yesterday’s lock down drill. In the next 12 days, we will be having a full evacuation drill which will see all students, staff members and parent volunteers leaving their rooms and assembling on the back playground. Emergency drills are essential to ensure we deal with emergency situations in an expedient and safe manner.

New look website
Please be advised that our school website is now operating more functionally with a new host. Whilst it is still being re-built, parents are encouraged to visit: www.castlehill-p.schools.nsw.edu.au

NAPLAN
Years 3 & 5 students will participate in the National Assessment in Literacy And Numeracy in week 3 next term. An information letter for all Year 3 & 5 parents accompanies today’s Newsletter and is also available on our school website.

Volunteering Your Time?
There have been changes to the way in which volunteers are screened in order to work in classrooms in a voluntary capacity. The RMS does this screening, which is free of charge to volunteers. If you plan to volunteer to work with children at school this year, you need to follow the link or QR code to access the forms:

Step 1: apply online and you will be given an APP number
Step 2: take this number to the RMS with your 100 points of identification;
Step 3: you will be emailed a WWC number. Either bring this and your APP number to the school office for verification or forward it to the school email address:
castlehill-p.school@det.nsw.edu.au If emailing, please also provide your date of birth and children’s names and classes.
Thanks on behalf of Year 6 goes to all students who helped support the footy colours mufti day last week. The $643.80 raised will go towards the Year 6 gift to the school.

Basketball Champ
Yulissa [6D] recently represented Castle Hill Public School in the area basketball PSSA trials and made the Castle Hill Zone team. She then attended the carnival on Wednesday in Penrith, where the Castle Hill Zone team lost in the Grand Final after a long day of competition. Yulissa was selected in the selectors game, from which they selected the regional team - where she narrowly missed out on selection. She and all the team played really well and were very tired after a long day of competition.

Swim Champs
Our Area swimming team recently competed at the PSSA Area Swimming Carnival at Homebush. Congratulations to all students on their efforts on the day, and to the many parents who transported our team. Several students will go on to compete at the State level competition to be held on April 9 & 10. Jacinta [4P] will compete in the 50m freestyle, 50m butterfly, 50m breaststroke, 50m backstroke and the medley; Christina [6M] will compete in the 50M breast & 50m butterfly; the girls junior relay comprising Chloë [5/4C], Juna [4W], Gemma [6/5G] and Jacinta; Ben [6D] will compete in the 50m butterfly and medley. Good luck kids!!

Changes to Hillsbus Timetable
As at Monday March 31, 2014 Route 637 at 3:28pm will be transferring students at Dural Public School to Route 3573. For more information the timetable can be viewed at www.cdcbus.com.au.

CASTLE HILL SHOW THANK YOU
As a school we like to encourage our students to participate in their local community. By facilitating student entries for the Castle Hill Show we hope we make it easier for families and students to engage with the local Castle Hill Show. Facilitating entries takes time and parent support. I could not have completed the process without the support and help from our parent community. I would like to thank the following parents and community members for their efforts:

- Mrs Franks for registering entries at school and registering all our student entries with the Castle Hill Show committee. Mrs Franks also transported entries to the show;
- Mrs Sinclair for registering entries and collecting entries at school;
- Mrs Crandell for transporting student entries to the show; and
- Mrs Pedler for transporting entries to the show.

All student entries are now at the show and being judged - good luck to all the students who entered. There were some amazing craft, art and cooking entries.

Kindergarten News
Stars of the week for this week are Danielle in KSapphire, Lachlan in KMoonstone, Kitty in KKornite, Thomas in KGarnet, Charlize in KAmber, and Lucy in KPlatinum.
Please return your child’s red note folder each Thursday. Home readers are changed each Monday, Wednesday and Friday. Record and sign the home reader card every night.

Single sounds for this week are: b, v, e, p.
Sight words for the rest of the term in class are: all, are, as, at, but, for, had, have, his, he, her, one, not, on, so, they, we, said, you, with. These are known as the red sight words. Together with the 12 golden words they make up, on average, one third of all reading.

Thank you parents who have offered to cover home readers. You will receive books and contact this week, could you please return the covered books to school by Friday April 4, 2014.

On Wednesday May 7, we will be having a K-2 parent information meeting on maths in room 1 (KSapphire) from 3.15-4.15 pm. Please complete the form that has been sent home if would you would like to attend, and return to Mrs Smith. Child minding is available for all school-age students in room 3 (KKornite). Children under school-age will require outside care.

All Kindergarten parents are invited to attend Kindergarten’s end of term celebration in our school hall from 2.15 pm on Monday April 7, 2014. All students participate in celebrating their first 50 days of school.

- From the Kindergarten teachers: Mrs Smith - KSapphire, Miss McDowell - KMoonstone, Mrs Keast - KKornite, Mrs Georgiades - KGarnet, Mrs Alibrandi - KAmber and Mrs Pearce KPlatinum.

Relay for Life 2014 – Purple Mufti Day
Next Thursday, April 3 (Week 10) we will be holding a PURPLE MUFTI DAY to help raise funds towards this valuable cause. Please bring a gold coin donation and wear a purple outfit for the day.

Thank you to those who have already registered for the Castle Hill Public School Relay for Life team.

We are still looking for people to join our team! Relay for life will be held on Saturday May 3, 2014 from 9am at Wrights Road Reserve, Kellyville. You can walk around the reserve during the day or night for as long as you’d like.

To join the team, please register online at www.hillsrelayforlife.com and click to join ‘Castle Hill Public School’. Registration is $20, which includes an official Relay for Life polo shirt, breakfast, entertainment and event staging.

We’d like to encourage those registered to continue to raise sponsorship towards our team’s goal. Please contact us if you’d like to help sell Relay For Life raffle tickets.

- Mrs Melanie Keast and Mr Bryce Holland - Team Captains.

See a fun movie and help Conquer Cancer
Heidi’s mum (5W) is riding and raising money in the 200km Ride to Conquer Cancer in October. This Sunday we are holding a Kid’s Movie Fundraiser to see Mr Peabody and Sherman at 2:30 at Event Cinemas Castle Hill, tickets are $20 each and includes drinks, chips and lollies. Please contact Lynelle on 0409848659 for details on how to buy tickets.

Landscaping Working Bee Saturday, March 22

Fortunately blue skies welcomed our landscaping working bee project on Saturday. An enthusiastic group of parents, grandparents, and children arrived to assist with the installation of a watering system to the two large front gardens of the school. It was hot and humid as our hardworking team raked, rolled out pipe, staked, and clipped their way along the huge garden beds, managing to complete the task in four hours. I cannot thank enough our supervisor, Rodney Cox of Huon Designs, for his patience and management of our team. Rodney had everything organised before our arrival so that we could commence work at 12.30pm sharp. He did not down tools all afternoon until the project was complete.

I would sincerely like to thank our excellent group of volunteers for their contribution to improving the grounds of the school. It was a most successful and enjoyable afternoon.

Ilhyeon Kim (Master Clipper) and wife, Lisa Fen and Alex, Jacky Yu, Frank Gao, Holly Ruan, Nancy Wen, Abby Hui, Richard Crandell, Frank, Daniela and Declan Fattoretto, Liga Hegner, Erica Elkass, Carolyn and Jake Vanderklauw, Damon, Natalie and Charlie Gardner, Bradley and Brendan Foote. Apologies for any omissions.

I look forward to seeing many of you again when it is time to plant.

- Fiona Foote, Landscaping Working Group Leader

School Community Club (SCC) News
Thank you!
A big pat on the back to those who helped out and ran the SCC Harmony Day stalls last week. Everyone worked really well together for a great cause. The SCC stalls allow all students to be involved in the day, and to celebrate, recognise and support the many cultures that make up our community. Well done everyone on making participation in these events possible.
SCC Annual General Meeting

The SCC Annual General Meeting is being held on Tuesday April 1 in the staffroom. We encourage you to come along, see what it’s all about and support your school community. If you wish to get more involved in events and activities at school that support your child, the teachers and bring together our school as a community, then please join in on the monthly meetings. We welcome new ideas and would love to see more families involved in bringing together our school.

The AGM will be followed by the regular monthly meeting of the SCC, and we will be discussing ideas for Relay for Life, Mother’s Day stalls, Book Fair, and other upcoming events. Please contact me if there are any specific things or new initiatives you would like to see on the agenda for this month.

Executive positions on the SCC

If you enjoy planning events, working with a great bunch of people, would like to help build our school community, please consider taking up one of these roles. No experience is necessary, as you will receive support from outgoing executives. The role of President will be up for nomination, and if this is a role you would like to consider in future years, a joint presidency or co-presidency can be considered to help you transition into the role and learn the ropes. Please contact me for more information.

Next Meeting: Tuesday April 1 in the staffroom, from 9.15am. All welcome including toddlers and babies. Come along and find out what’s happening at your school, and be a part of your school community.

Sharing Information in Chinese
We had a very busy but wonderful week. It was not just because of working together for harmony, but also the rich and many colours from different cultural backgrounds. We all live in the most beautiful garden. Thanks to the parents who helped last week at the stalls, cutting oranges, and installing the water system for our front gardens. It was the best Harmony “Week” we ever had!

Next Friday morning 9am @Funhouse, April 4, we have invited Lisa, the Vice President of the P&C, to present the proposed plan for the refurbishment of three areas within the school grounds. The design intends to transform the current areas to natural play spaces for the students to be both fun and educational. The shaded and rest areas are also considered in the plan. Please come to have your say and to support us in improving our children’s learning environment.

After the presentation, we will report what we have done so far, discuss on term 2 calendar and activities we will be doing, and other undergoing plans. We would also like to have your feedback and recommendation for our improvement.

If you still have time, we will run a short wrap up of PACT on how to help your children reading and playing maths at home after the meeting. And the activities you can do during school holidays.

If you would like more information, Chinese Club has set up a social platform. Please join our WeChat group in Chinese: CHPS 中文組.

10 WAYS TO BUILD MORE CONFIDENCE IN KIDS

“Confident kids are more likely to make the most of their potential as they’ll extend themselves both socially and learning-wise. Failure doesn’t reflect on them personally. Fears and anxieties, while present, don’t stop them from trying new activities.

The power of parents to shape a child is enormous. Self-confidence is one area that parents have significant influence, particularly for children of primary school-age and below. Kids in these years are on a journey to work out what they can do and how they can fit into their various groups. They are the confidence and esteem-building years.

As a parent, you are in THE prime position to mirror back to kids how they should see themselves. You do this through your messages, your expectations and how you treat your child. Confidence is often confused with extraversion, assertiveness, self-assuredness and cockiness. It’s not necessarily so.

You can be quiet, introverted and full of self-doubt but still feel and act confidently in a given social or learning situation.
Confidence is more about risk-taking and trying new activities. Confident kids are more likely to make the most of their potential as they’ll extend themselves both socially and learning-wise. Fears and anxieties, while present, don’t stop them from trying new activities.

Here are 10 ways to build confidence in your kids so they can take their place in the world:

1. **Model confident mindsets:** Kids pick up your thinking as well as your language so teach kids how to approach tricky or new situations confidently by doing so yourself. That means, don’t put yourself down if you make a mistake.

2. **Encourage kids to look on the bright side:** Optimism is catching and helps kids overcome their fears. Help kids set their antennae to look for the good, something positive or learning in any situation.

3. **Help them understand self-talk:** That little voice inside their heads can talk them up or talk them down. Kids who are low on confidence use a great deal of negative self-talk. Get kids to listen to their self-talk and help them work out alternative messages that help them rather than hold them back.

4. **Recognise effort & improvement:** Low risk-takers and perfectionists appreciate parents who focus more on the processes of what they do, rather than results. Effort, improvement and enjoyment are examples of processes that you can comment on.

5. **Focus on strength and assets:** Fault-finding can become an obsession for some parents, particularly fathers. Step back and look at supposed faults through a different lens (i.e. stubbornness can be rebadged as determination, which is handy in many contexts). Let your kids know what their strengths are so they know what they are good at!

6. **Accept errors as part of learning:** Don’t over react when kids don’t get the perfect score or make mistakes. Errors are part of learning, ask any golfer.

7. **Give them real responsibility at home:** Giving responsibility is a demonstration of faith. It fosters self-belief and also provides growth opportunities for kids. Confidence and responsibility go hand in hand.

8. **Develop self-help skills from an early age:** Confidence is linked to competence. You can praise a child until the cows come home, but unless he or she can do something they won’t feel confident. Basic self-help skills are inextricably linked to self-esteem.

9. **Spend regular time teaching & training:** Parents are children’s first teachers. They educate them in everything from how to do up their shoelaces as pre-schoolers to how to fill out a tax form as late adolescents. Look for teachable moments where you can help your kids. They are everywhere!

10. **Build scaffolds to success and independence:** Look for ways to make it easy for your child to be successful. That may mean that you break down complex activities into bite-sized chunks so they can experience success or even cope with stressful situations so they can overcome their fears.

There are some powerful strategies outlined here. Think about how many of these you use already and which strategies you would like to find out more about. Confidence-building is one of those foundation areas that can have an enormous impact on kids and one that we can all learn more about.
